Maharashtra Govt. approves new Global Capability Centre (GCC) Policy

On September 30, 2025, the Maharashtra Cabinet approved the Global Capability Centre (GCC) Policy with a aim to establish Maharashtra as premier destination for innovation and technology hub in India.

Background

GCC incentive policies are government measures to attract multinationals with financial and non-financial perks. GCCs deliver services like digital transformation, technology, finance, engineering, marketing, and R&D.

Under this new policy, the Government is targeting to set up 400 additional GCCs and create 4 lakh highly skilled jobs. State desires setting up GCCs which are working in Artificial Intelligence (AI), data analytics, robotics and cybersecurity.

Key Features of the Policy

- Targeted Investment of Rs. 50, 800 crore
- Incentive to rental assistance, green certification, patent filing assistance, essential infrastructure funds, reserved plots in industrial estates, uninterrupted water and power supply, flexible working hours and property tax related benefits
- Eligibility to reserved MIDC land and premium (FSI) concessions, zoning clearance and single window clearance through MAITRI¹

- Capital subsidy, electricity tariff subsidy, interest subsidy², one time stamp duty exemption and electricity duty exemption for 10 years to be extended
- Priority sectors such as aerospace and defence, agriculture and food processing, gems and jewellery, logistics, metal mining, pharmaceuticals and chemicals, green energy, IT and automotive to be strengthened

¹ The Maharashtra Industry, Trade, and Investment Facilitation Cell

² For GCCs set up in Zone 2

Policy which is expected to attract high-value global investment, establish world-class economic centres and develop digital data banks aligns with India's vision of Viksit Bharat and Viksit Maharashtra 2047.

Currently, majority of India's GCCs are concentrated in just 6 Tier-1 cities. The policy aims at unlocking potential in Tier-2 and Tier 3 cities and thus will help accelerate GCC growth beyond the metros.
